Sir:

On July 9, 2009, the undersigned attorney Eric G. Zaiser participated in a telephone interview with Examiner A.A. Zhar. We discussed differences between claim 1 and the cited Cook et al. reference, particularly the use of the term “instantiated” in claim 1 and differences between selective instantiation and the subject matter of Cook et al. Although agreement was not reached, the undersigned again thanks the Examiner for his time and discussion.

Respectfully submitted,

/Eric G Zaiser/
